ADDITIONAL OUT OF ZONE ENROLMENT FOR 2021

The board advises that a number of vacancies have become available at Clyde Quay School since the last ballot for out of zone places on 29 October 2020.

Because the board operates an enrolment scheme, it is required to fill any vacant out of zone places by ballot in cases where there are more applications for enrolment than there are places available. The board has determined that a total of 15 places are available to out of zone students for enrolment in the 2021 school year.

The board is prepared to receive applications, in addition to those which it already holds, so long as they reach the school **by 12 noon 12th March 2021**. Applications can be made by returning a completed enrolment form available from the school office or on the school website www.clydequay.school.nz. If a ballot is required it will be held on 12 March 2021. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.
