Te Kura O Matairangi

**20 March 2019**

**Tēnā tātou katoa e te whānau**

Dobar dahn, Nabad, Hola, Ciao, Ni hao, Namaste, Talofa, Bonjour, Χαίρετίσματα, Grüß Gott, Zdravím, Приветствия, สวัสดี, Sawasdee, Konnichiwa, Pozdrowenia, Selamlar, Guten tag, Salaam, Salama Aleikum, Leikum Zdras-Tvuy-Te, Ahn-Young-Ha-Se-Yo, Marhaba, Nay Hoh.

In the wake of last Friday's events in Christchurch, we had a lovely assembly on Monday. Many thanks to all our whanau who could join as we talked about Ngā Uara– Values. The children who stood to share their thoughts on what *Manaakitanga* and *Whanaungatanga* meant to them was heartening; as were the messages we all took away from the *diversity clip*. Kieran (Ngaio student) and Matt Magoffin (parent) summed it up well, meaning '*We have more in common than differences*'.

The Prime Minister Rt. Hon. Jacinda Ardern is considering a '*National Day of Mourning*' and as the weeks progress there will be more reporting and coverage of the Christchurch event. Whilst our assembly focussed on *Ngā Uara/ Values* and *Celebrating Diversity* you may want to speak directly to your child, explaining it in your own way.

Different organisations (all well meaning) are asking schools to participate in tributes and donate. We will let our whanau know when we decide to participate so we are all informed.

### **Assembly**

Karaka whanau is presenting this week and they have a number of enjoyable items planned for us. If you can make it on Friday please join us at 9.15am.

### **Donations**

Matairangi Clyde Quay school is very lucky, we receive donations in kind and financially. Today we want to give a shout out to the *Wright* whanau for donating a state of the art microscope; it's a beauty. Also to Xanthe Torrens who has volunteered her time to be the 'Grants Officer'. Again "*Manaakitanga me Whanaungatanga*" in action.

### **Parent Interviews**

A reminder about parent teacher interviews happening April 1-4. Make sure you book an interview online or contact the office. As you know you will receive student reports in enough time, ready for interviews. *See instructions later in newsletter ...p3*

## **Attitude–Thursday May 16 6.00pm-7.30pm**

### Parent Evening on Net Safety

Make sure you save the date. Attitude is a large external health provider. It was founded in 1996 and is dedicated to building resilient young people. The programme Attitude will deliver is about *Net Safety-what you need to know to keep your child safe on line*. In turn, Attitude will also work with the Y7-8 students on the same topic.

We look forward to seeing all our whanau; bring a friend with you.

## Board of Trustee Interviews

Senior students were charged with interviewing current Board of Trustee members to find out about their roles and responsibilities as a Board of Trustees member. The articles below are the result of the interviews.

This is Kathryn Anderson. Kathryn is a member of the B.O.T, or Board Of Trustees. It is her 8th year here, and she lives in Karori. She interviews new staff for Clyde Quay School (CQS). She manages purchases of stationery, new furniture and equipment for Pikopiko Kindergarten. *"My job involves a monthly board meeting, sub committee meetings, paperwork, and actioning tasks,"* she said. Kathryn is the *Queen Of the Kindergarten*. She has taught nearly 60 percent of the students in CQS, and knows many of our families. *"My favourite part of being on the B.O.T is the opportunity to give back to the school, staff and community,"* Kathryn says.

Hello, my name is Thorsten Engel. I am the Chair for the Board of Trustees (B.O.T), and my son is currently in Karaka. I set the agendas, sign off legal documents and I am the 'Complaint Manager' for the B.O.T. Three years ago, I supported the change in the school curriculum to include more maths and science. We make sure that students have enough chrome books, and we are currently working on recruiting more teacher aides and getting enough teachers to teach our children well. I am a consultant, and do my job on the B.O.T as well as my regular day job. The best part for me of being on the B.O.T is being able to help solve problems, and shape where the school invests. We are currently looking at I.T, like trying to get more chrome books for the school. Most of the members of the B.O.T are new, and it is really nice to get to know lots of the parents at school and members of the community.
