We at school can only imagine what this must be like for you.

On Friday, 21st May, we will be celebrating **Pink Shirt day**. Our tamariki work hard every day to show ngā urua, our values. Wearing Pink on this day is an opportunity for them to show us what they are all about, all the time. Ready for a challenge?

The Heart Foundation are relying on big-hearted people, like you, now more than ever before so we can continue to fund our life-saving work. That's why, this year, show your big heart by taking part in the Gazley Volkswagen Wellington Marathon on Sunday 27 June 2021 and at the same time, make your support go further by raising life-saving funds to fight New Zealand's single biggest killer - heart disease.

Walk, run (or a bit of both) or join with friends...however you decide to take part in the Gazley Volkswagen Wellington Marathon we'd love to have you join us and help make a difference!

It's quick and easy to get started. Simply register for the event and enter the distance of your choice and then create your fundraising page and spread the word to your friends and family! We'll be there to support you every step of the way, plus, once your fundraising is underway, you'll receive a Heart Foundation running t-shirt.

Funds raised in the Gazley Volkswagen Wellington Marathon ensure that world-class research is funded, Kiwi cardiologists can undertake specialist training, and that the 170,000 New Zealanders living with heart disease receive the support, information and resources they need to live full lives.

We would be so thrilled to have the support of the your school this year and hope you are able to join with us to help make a difference!

Can't compete?

If you're not planning to run the 2021 Gazley Volkswagen Wellington Marathon this year, how about joining this fun event as a volunteer? You'll be out enjoying the atmosphere and helping with tasks like registrations and support at the finish line. If this is something you'd be keen to know more about or you'd like to register you can find out more here
