The professional development day on *Accelerating Writing* was well received. Teachers are working with Julie Beattie (Learning Solutions, Auckland University). Learning solutions currently has the Ministry of Education contract to provide *Accelerated Learning in Literacy* (A.L.L.). Whilst the school is not in the current A.L.L. programme, Julie Beattie is providing a similar service for us.

Our tamariki are making the most of the sunshine. That said, the table tennis enthusiasts are in the hall honing their skills and getting ready, I imagine, for the Festival of *Table Tennis*, Saturday June 26.

If you're free come along and join in the fun and partake of food. The BBQ will be available and we have cooking pads for vegetarians, vegans, and meat eaters of course. Bring your chilly bins or picnic basket with salads and the goodies you and your family like. We'll make sure to set out tables for the whānau day.

The other event that is on the minds of our children, you guessed, it is the Y4-8 *Central Zone cross country*. Sandy and Leon took 41 keen participants and competitors. We wished them all the best!

We are all looking forward to having football coaches in for the next four weeks, hopefully we'll be able to have one more session. You may recall Maki (Wellington Olympic Football Club) organised coaching Y1-8 for our students in term 1. Well, the coaches are back starting next week. The children loved it the first time around.

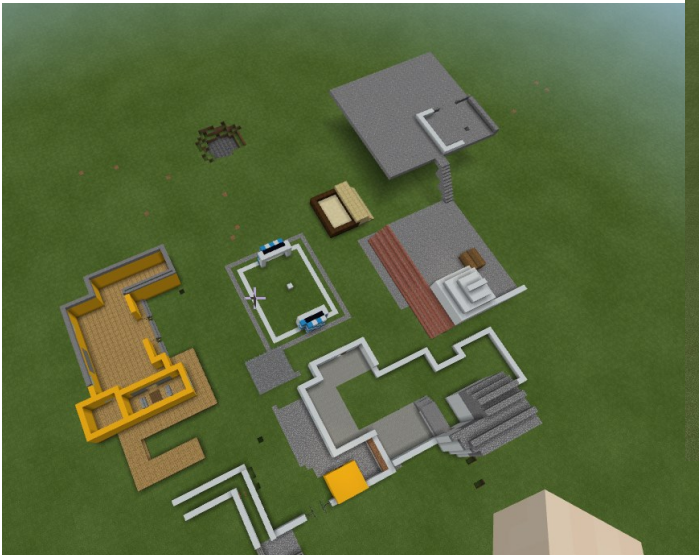

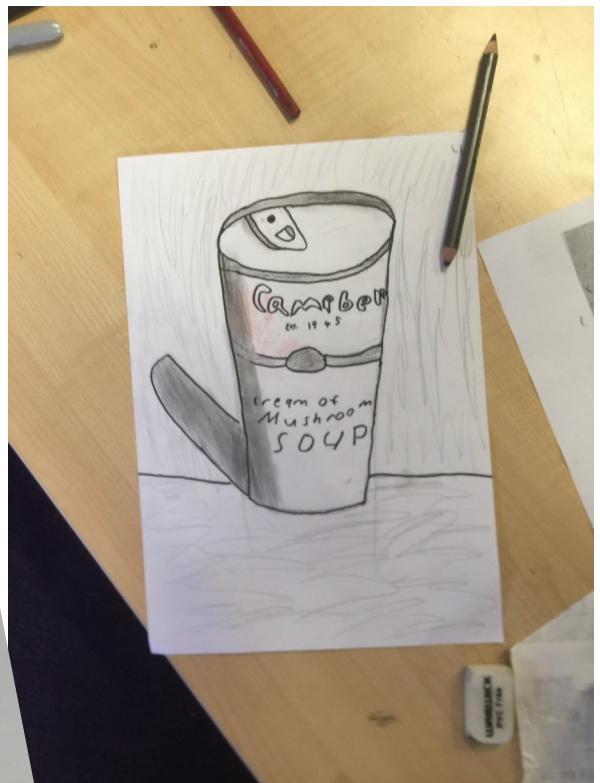

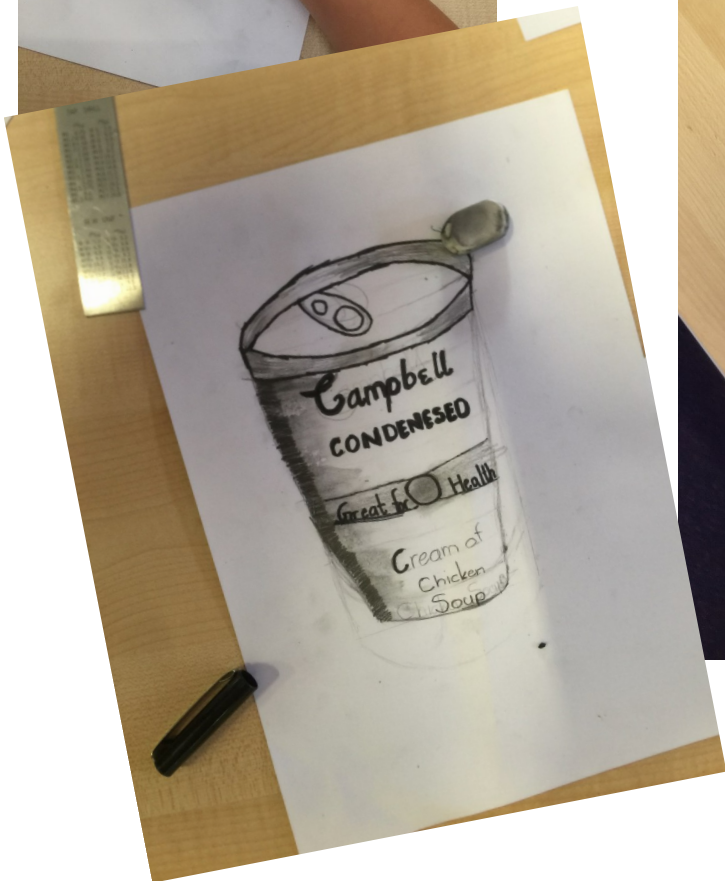

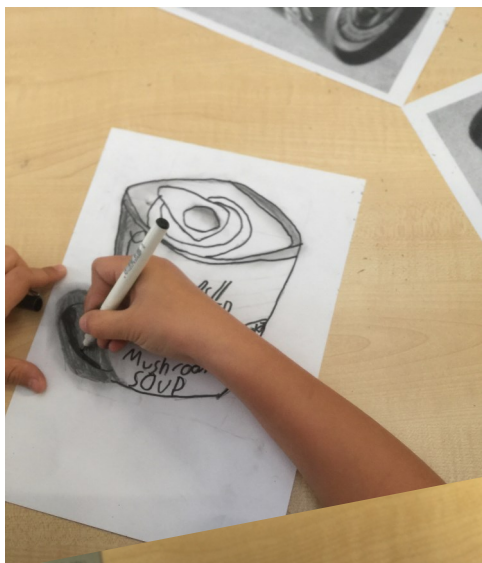

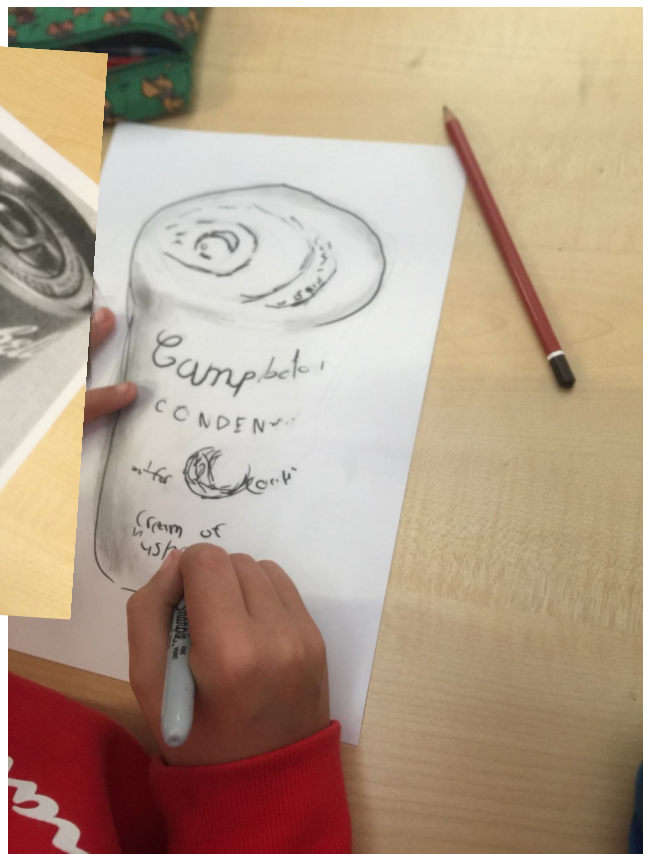

We welcome Artemis and Insiya to Harakeke this week

Our year 5-8 students have been doing rotation learning on Fridays

The options have been Minecraft, Team challenges, Coding, Drawing skills & Languages for our Year 7/8's (French and Mandarin).

Here are some pictures from our first round of rotations. Can you figure out what ngā tamariki are creating?

Run-a-thon Reminder

Harakeke

In Harakeke the letter of the week was 'G' so for one of our reading activities we made 'gorgeous, glorious, glasses! Elton John would turn a shade of green if he saw these bespectacled students!

Wellington Hospitals Foundation “Jammies in June Appeal”

To help keep kids warm and well this winter, Wellington Hospital’s Foundation has launched its annual **Jammies in June Appeal**.

Respiratory conditions are a leading cause of acute admissions to hospital for children and Wellington Regional Children’s Hospital sees a significant increase in the number of children who are admitted over the winter months. Many might have been unexpectedly raced into hospital, struggling to breathe on cold winter nights, with little or no notice. It’s incredibly scary for kids and having a warm pair of clean pyjamas to change into makes a huge difference.

How can you help?

Community support for the Wellington Hospitals Foundation’s annual Pyjama Appeal has always been incredible and makes a huge difference to our tamariki, rangatahi and whānau.

Please donate a pair of NEW, size 1-16 flannelette pyjamas or thermals. Due to the risk of infection, only NEW pyjamas can be accepted.

Or make a donation online at www.whf.org.nz and Wellington Hospitals Foundation will buy a pair on your behalf.

Collection points

New pyjamas can be dropped in to receptions at: Wellington Regional Hospital, Kenepuru Hospital and Kapiti Health Centre.

Or posted to: Wellington Hospitals Foundation, Wellington Hospital Private Bag 7902, Wellington 6242
